Ailec Wide Profile Cabinet

The AILEC range of metal units provide a robust well priced range of filing and storage options. In particular the Combo unit is a unique versatile combination unit of drawers (locking and fitted with drawer dividers) plus storage with adjustable shelf behind lockable tambour door, and all on castors for office mobility even when laden. Other tambour door storage units as well as single and wide with file units are available in a comprehensive range of size options. Finishes: Carcases: Powdercoat white & silver as standard or selected special colours as specified on application. Tambour doors: white, grey or translucent.
