Perry

Design: Charles Perry (USA)

A modern classic since its inception almost 20 years ago.

Visually light but of a strength suitable for education and institutional projects.

Poly seat and back, solid steel rod chromed frame.

Patented passive self-adjusting pivoting back/seat mechanism.

Available as a bare poly shell chair, or with seat upholstered or with inner back upholstered, or inner and outer back upholstered.

Stack able, relocation trolley available.

Colours: Poly, Black, stone, grey, blue with other standard colours to order.

American components assembled and upholstered in Australia for Ambient CDS
