

# AMBIENT

## Mojo

Made in Australia for Ambient CDS

A clean clear square frame powdercoated as specified sets the look for this straight forward workstation system.

Can be used with low level clamped divider screens or 70mm thick floor base.

Upholstered screens incorporate services and service blades to ceiling.

Shelving, storage and filing complete this handsome system.

Finishes: Laminate from the Laminex Standard pre-laminated commercial range, screen upholstery as specified.
